FROM THE PASTOR'S PEN

Greetings to Central Church family & friends.

As of end of April, there were over 1400 cases of COVID-19 infections in Mecklenburg County and perhaps you may know someone among your family and/or friends who have been impacted by this virus. While not all of us have been infected by the virus, we have all felt the impact of this pandemic in various ways. We have church members who have been furloughed from their jobs and small business owners who are nervous about their future outlook. There's a sense of uneasiness among the people and a great deal of worries and concerns take up a good chunk of our daily lives. In my sermon on Sunday, April 26, I spoke from the Beatitudes regarding Jesus' message to His disciples on the topic of "Peace" and I also referenced a scriptural passage from Philippians 4:6~7... "Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." We can possess God's peace when we recognize our sinfulness and accept Jesus Christ as our Lord and Savior. But possessing God's peace does not mean that we are going to be free from struggles and troubles of life. God's peace will grant us hope, strength and guidance in the midst of our daily struggles and that is God's promise to us during this COVID-19 pandemic. Our society, this nation and the world will get through this difficult and troubling time, but a new-normal will result from this pandemic and churches will need to make changes and adopt new ministry paradigms for the future.

We are eagerly anticipating re-opening of our church campus and our Session has approved a Task Force to prepare for this purpose. We met

Volume 20, Issue 5

online for the first time on Friday, April 24 for a couple of hours and there were many ideas and ministry paradigms being exchanged during this meeting. The Task Force will present re-opening preparations to the Session for approval and then we will communicate them to the congregation in due time. As we prepare for the re-opening of the church campus, there are discussions on expanding our Digital Ministry plans in order to keep our members connected and continue to lift each other up in prayer. I believe that Digital Ministry platforms will be invaluable and abundantly necessary even after the restrictions are lifted in the near future. Central is making plans to promote and enhance the worship experience and ministry vision to a society that will be apprehensive and cautious about physical attendance and participation. Many people will feel this way until a vaccine is produced and widely circulated among the population. We understand such fear and anxiousness and our church will need to be sensitive and prepared for the new-normal in raising up Disciples of Jesus Christ. While all the preparations we are making will be instrumental and important for our church, we need to saturate all of them in prayer. Let us join together in prayer each day as we seek God's peace in our lives and also seek to become Peacemakers of God as we encourage and lead others to the cross of Jesus Christ. Pray for God's hands to guide

our church and servant leaders so that we may follow His vision for our church. Stay safe and be prayerful.

Thank you for your support for students who face food insecurity during the Covid-19 Pandemic

As the schools in Steele Creek closed in March, the principal and faculty saw how this pandemic was impacting student families who were food insecure. Each school identified vulnerable families due to a variety of reasons: homelessness, medical issues, single parent or both parents losing jobs, etc. They saw the needs of these families continuing until employment opportunities opened back up.

Then, the schools reached out to us for help, knowing about Central's continuing support of Steele Creek area students: first Steele Creek Elementary, then Olympic HS, Berewick ES, and Winget Park. A wonderful thing happened. As members and friends of our congregation learned about this need, donations were mailed in.

So far, this is how the funds have been spent:

SCES (7 families): 26 bags of groceries, in addition to the 20 already prepared week-end food bags, and 7 grocery cards.

Winget Park (5 families): 6 bags of groceries and eight \$50 grocery cards.

Berewick (6 families): six \$50 grocery cards.

Olympic HS (2 families): six \$50 grocery cards

The guidance counselor and principal of Berewick wrote the following note:

"It was really great meeting with you and talking about some of our families' needs. Thank you for your continual support at Berewick Elementary. Just wanted share with you; parents have already reached out and said thank you and that they were able to go grocery shopping yesterday. We truly appreciate helping our families at Berewick Elementary. Thank you."

The need for groceries will continue for these families. If you would like to help, please mail a check to the church and designate Food support for students on the memo line.
