

The Personnel Committee of Central Steele Creek Presbyterian Church is pleased to present Nick Pierle as our new Director of Music Ministries.

Nick has a Bachelors degree in Vocal Performance from High Point University and a Masters degree in Choral Conducting and Vocal Performance/Pedagogy from ECU. He teaches music in the Mecklenburg Area Catholic School system and is also a current voice and piano instructor with our Central Fine Arts Academy.

Nick grew up in Charlotte and was raised in the church, however, became interested and involved in music during his high school years. He has had experience working in churches as either an interim music director or as a choral scholar, during and after his college years. He enjoys all music genres. We believe he will be an asset to Central Steele Creek Presbyterian Church as we continue to move to a more blended style of worship.

Please join us in welcoming Nick to our church.

*Worshipping and Serving Christ in
the Heart of Steele Creek.*
