From the Pastor's Pen

As you read this newsletter, which covers the months of July and August, the days of summer are moving quickly and it won't be long before students are preparing for a new school year. Hopefully, the new school year will be much different and less technology dependent than this past school year. There is no substitute for face-to-face & in-person learning, especially for elementary students and I hope schools can return back to normalcy in the classrooms for the fall of 2021. Hopefully vaccinations will lead to safer school environment and everyone involved in the new school year will be protected and safe from any COVID related issues.

In speaking of the fall, Central is preparing for a community outreach event called "Central Serve" and it will take place on Saturday, October 23 from 10am to 2pm. As we seek to fulfill the mission of Central... "Worshipping and Serving Christ in the Heart of Steele Creek"... we are inviting the community of Steele Creek to our church campus for an event that will include a Job Fair and a Fall Festival, which will incorporate music, games and food. We are partnering with Iglesia Bautista Emanuel (IBE), Steele Creek Police Department, Arrowood Business Association, The Y and other local businesses and groups to serve our community with job opportunities and family fellowship in hopes of sharing the love of Christ and the Gospel message of hope and salvation in Christ. We want to be intentional about outreach into the community and develop relationships with our neighbors and "Central Serve" will be our first of many outreach events designed to bring the Steele Creek community to our church campus. I also hope we can take our church "into" the community in the future as we go out into Steele Creek to meet the needs of our neighbors and friends. Galatians 6:9-10 says, *"And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith."* I hope you can join others from Central in serving our community of Steele Creek on Saturday, October 23. More announcements will be relayed to

Volume 21, Issue 7 & 8

you in the coming weeks and months as we seek to build up the body of Christ at Central and in our community.

In July and August of last year, we were still utilizing virtual worship service and return to in-person worship preparations were being made by church servant-leaders and the Worship Team members. We have come a long way from those days of temperature checks, hand sanitizers, social distancing and mandatory masks. If you have not yet joined us for in-person worship services, I want to invite you to come and worship with us in the sanctuary. Face masks are not mandatory if you have been fully vaccinated, but if you feel more comfortable with a face mask, then please wear one as you enter the church. Technology will always be an essential fabric of Central's future ministry, but nothing can replace face-to-face worship and fellowship as we are led by the movement of the Holy Spirit. I pray that you will be convicted by the Holy Spirit and feel safe enough to join us for in-person worship service in the near future.

On a personal note, 2 out of our 3 kids will be on a college campus this August and Minah and I are not sure how to feel about this momentous occasion. On one side, we are excited that "parental freedom" is that much closer (haha)... but on the flip side, we will miss our kids always being around the house. Minah and I are very fortunate to have so many "veteran" parents in the church and always available for expert consultations.

In Grace & Peace,
Mark

AUGUST HEAD ELDER & USHERS

Head Usher: Martha Osborne

Ushers: Ann Mozingo & Reuben Mozingo

From our Director of Music Ministries:

Greetings, all!

Over the next few months, we will begin to grow and expand upon the music ministry here at Central. My hope is to grow both The Central Ringers and The Central Ensemble and. We will also begin forming a praise and worship band if there is interest.

On Monday, July 19 from 5:30-6:30PM, our resident handbell choir, The Central Ringers, will host an open house for anyone who might be interested in playing the handbells. This will be a great introduction to the instrument. Although there is a slight learning curve, it really can be done by anyone! Our handbell team will help you be successful throughout the open house and work with you at your level. Light refreshments will follow the rehearsal. If you have any questions regarding the open house, please contact Nadja Sefcik-Earl at nadjasefcik@gmail.com. We look forward to ringing with you soon!

The Central Ensemble is our resident choir. As the church has begun to reopen it's doors, this ensemble has provided music once a month. After a short hiatus in August, the choir will plan to sing more regularly at church services. Our first rehearsal after the August break will be Wednesday, September 1 beginning at 5:30PM in the choir room. All are welcome to attend! Please contact me if you have any questions regarding choir at nick@cscpc.org.

Lastly, my hope is to begin forming a praise and worship band beginning in September that provides all service music at least once a month. Our church will partner with the IBE band as well to better enhance our service and to join together as one community. If you have interest in playing or singing in this band, please email me (nick@cscpc.org)

I look forward to the growth of our music ministry as we begin to reopen our doors!

Yours In Christ,

Nick Pierle

Central Fire Arts Academy welcomes back students this Fall!

The Central Fine Arts Academy (CFAA) will welcome back students for in-person classes again this fall. We are excited. We know that students progress further with in-person classes. We can build important relationships with both the children and their families. We can be out in the community to invite families to participate in the music and art classes.

For the 2021-2022 school year,

- Group lessons – in music and art.
- Private lessons for students of all ages,
- Virtual lessons if required by the student, parent or teacher schedule.

This is also the time to look at restructuring CFAA after more than a year of virtual only lessons. Options that are being considered are:

- Adding Saturday classes.
- Extending the sessions to better fit the school schedule.
- New promotional avenues.
- Partnership opportunities.

Please look for more updates in August – through the church emails and prior to Sunday worship. Spread the word to family, friends and neighbors that CFAA will be back strong.

Serving Our Neighbors – Food Insecurity

There are 2 upcoming opportunities to help serve our neighbors who are dealing with food insecurity.

July 23rd: Food Share program: Friday morning: 9:45 – 11:30 am at the church parking lot.

August 3rd: Mobile Food Pantry: Tuesday at Steele Creek Elementary School. Time: TBD

Please volunteer by contacting Jeanne Smith (jesmith8412@gmail.com or 704-408-7445)

Food Share: The Food Share program through Loaves and Fishes provides families with a box of fresh groceries. As volunteers, we help organize the food boxes, set-up the drive-through location and load the grocery boxes into cars. Families register with Loaves and Fishes prior to the event. They will line-up in the church parking lot, allowing the cars to driver through and receive the food box.

Central hosted three Food Share events this past winter. They were positive events even with the cold and rain. We knew we were directly helping our neighbors.

Mobile Food Pantry at Steele Creek Elementary on Tuesday, August 3rd.

Steele Creek Elementary will sponsor a Mobile Food Pantry through Second Harvest. This will help student families from Kennedy and Olympic as well as Steele Creek.

Location: School parking lot on 4100 Gallant Lane, off Brown Grier Road

Families will drive through to receive a box/bag of groceries. Volunteers are needed to work with the school staff and teachers. Responsibilities: pack grocery bags or boxes; load the groceries into cars; help keep the cars moving. Please contact Jeanne Smith (jesmith8412@gmail.com, 704-408-7445) to volunteer or for more information.

Second Harvest provides mobile pantries to the higher poverty elementary schools in the Charlotte region. To help ensure that children have enough nutritious food to eat and come to school prepared to learn, this program provides on-site food shopping for low-income families. Each pantry provides staple goods, produce, meat, eggs, whole grain breads and essential non-food items like toilet paper and diapers, on average providing 40 to 50 pounds of food per family. The Food Bank will provide over 150 school-based mobiles this year.

Congratulations 2021 Scholarship Recipients

Emily Cheek, Michael Lee, and Karis Lee

The 2021 Central Steele Creek Church Scholarship (In Memory of Marion Blackwelder) was awarded to Emily Cheek, daughter of Andy and Beverly Cheek and grand-daughter of Joy Cheek and the late Jerry Cheek. Emily will be heading to Utah in July to do an internship at the Primary Children's Hospital and then returning later in the year to complete her Master's Degree in Music Therapy at Appalachian State University.

The Pete and Gertrude Gallant Memorial Scholarship for 2021 was awarded to Michael Lee, son of Rev. Mark Lee and Minah Lee. Michael graduated from Audrey Kell High School and has been accepted at the University of North Carolina - Chapel Hill.

In addition , Karis Lee was awarded the second year from the Gallant Scholarship. Karis is the daughter of Rev. and Mrs. Lee, and is a student at Queens University majoring in Psychology.

For the benefit of our new members, Marion Blackwelder was the daughter of Charles and Sarah Blackwelder and niece of Jack and Mae Austin. She was a student at Brevard College and died in an automobile accident in December 1979. The Central Steele Creek Church Scholarship Fund was started in 1984 as a tribute to her memory. The award is made yearly and only the interest is used to finance the scholarship with the principal remaining untouched. Additional donations are gratefully accepted as the cost of a college education continues to rise.

The Pete and Gertrude Memorial Scholarship was established in 2014. The Gallants were long time members of our church and their daughter Carol Gallant has funded the scholarship in their honor. This scholarship is given to the recipient for four consecutive years provided the student maintains acceptable grades in their field of study.

In the Spotlight!

I would like to take a minute and share this picture of Ann Mozingo with Charra who has been at the Y for virtual learning. Ann reached out to me a while ago about supporting some of the Y kids. Ann has provided worksheets for Charra and previously Brielle every week for several months. The worksheets have been age specific and helped with some of the learning gaps that were developing with both of the girls. This was a great way to safely connect through the pandemic, and the both girls were super excited to be able to work with Ann and get to know her. Last week was Charra's last week, and Ann was finally able to safely meet Charra. Charra spent the day telling all the staff she had met Ms Ann and it was so great to see her excitement. Ann, thank you from everyone at the Y for supporting our kids this school year.

Grocery Cards for Student Families

Circle of Friends donated grocery gift cards for the student families of South Pine Academy. This is the new elementary school located on Sandy Porter Road. It will open its doors to the first students this August, drawing students from Steele Creek, Lake Wylie, Nations Ford and Sterling Elementary Schools. These thank yous were sent:

- ◆ Principal Dianna Newman: *This is a wonderful blessing.*
- ◆ Counselor Brittany Hunsinger: *How awesome! Yes, they would be very helpful for our families.*

Thank you 30 for 30: Together in Prayer Congregations

Friends,

Last year brought increasing violence, a world-wide pandemic, civil unrest, and a contentious election. It also introduced new ways to imagine policing and new ways in which to involve community organizations and citizens in addressing public safety.

As we entered 2021, the CMPD began reaching out to members of our faith community. In an initiative led by Deputy Chief Estella Patterson, we asked that congregations commit to pray one day in May for CMPD employees, other public, health, and safety officials, our families, and community. You did not disappoint. Over 30 congregations committed to pray, beginning on May 1 and ending on June 2. Though diverse in faith traditions, you were united in a common cause.

In addition to prayer, some congregations contacted their CMPD division or police department to partner with them on summer projects or provide notes to police officers. Others provided copies of their prayer to share. We thank you for these prayers, your outreach, and your service to our community! As we begin to emerge from pandemic conditions and into a new normal and new challenges, please continue to pray for and with us.

Morning Coffee Ministry to Y Parents

During the school year, Pastor Mark Lee and volunteers served coffee to Y parents as they dropped off their children for the Y Back to School program on our campus. With masks and gloves on we offered coffee to Y parents in their cars and let them know we support them during these challenging times of COVID19 restrictions. Along with coffee, parents were provided a prayer request form that they can return to Rev. Lee. The prayer requests received have created a special connection with our Y parents and members of our church. During Central's Friday email updates and Sunday in-person and live streamed worship services, we share the prayer requests and pray for our Y parents. We will now continue this outreach to the Y summer camp families in July and August. Please volunteer to join Pastor Mark on upcoming Wednesday mornings from 7:30 – 8:45 am in the church parking lot. For the summer, we will offer both cold water and coffee along with a welcome. Please volunteer by contacting Jeanne Smith (jesmith8412@gmail.com or 704-408-7445

Seeking Secret Saints!

We need volunteers for this upcoming school year to support our college students. This program provides support and love from our congregation to continually remind our students that their congregation cares and prays for them. To ensure consistency amongst the students, the guidelines are as follows:

- Cards mailed to student for each holiday and throughout the year just to say you are praying for them.
- \$25 gift cards or gift sent at Christmas and on their birthday.
- Goodie boxes sent to students at the beginning of each exam period (early December, early May). These should not exceed \$25.

If you are interested in serving in this capacity, please contact Ellie Bostick @ 704-309-3759 or elliebostick@yahoo.com.
